

HOBBS

FREEDOM RACK
BED RACK SERIES

OFF-ROAD . SPORT . OVERLAND

The Freedom Rack is a modular bed rack designed for urban and off-road journeys. It is one of the most versatile and customizable bed rack systems on the market.

Its modular design allows the Freedom Rack to be configured for any use from work to play and anything in between.

Find your own Path.

The Freedom Rack allows you to load up all the gear you need to get out there and enjoy the outdoors.

The Freedom Rack is proudly design, engineered and made in the USA.
