RAZOR
ROOF RACK SERIES

365 Days a Year.

The RAZOR Roof Rack is designed and engineered to meet the lifestyle and needs of the overlander and the urban dweller. Whether you are going off the beaten path or through the urban jungle, we've got you covered. This modular, multi-use rack creates extra storage space for all your gear whether it is on top of the roof of your truck or SUV, on the tray bed or on your bed rack.

The Razor Roof Rack is made up of modular panels that makes it easy to assemble and install on your vehicle. It is made in the USA from 12GA powder coated steel.

The RAZOR Roof Rack is available in two sizes (50x50) and (50x45), which is ideal for most Trucks, Jeeps and SUVs. Custom designed mounting brackets are available to mount your roof rack on the roof or tray bed of your vehicle and even on a trailer.

Outfit your roof rack with our wide variety of accessories and attachments to carry and secure all your gear and add some style like a light bar.

Designed to carry lightweight items with a payload capacity of 200lbs. Available for all SUVs, Jeeps and Trucks. Support Brackets for mounting on the Roof, Tray Bed and Bed Racks.
